

As a valued exhibitor, we want to make sure we're doing everything we can to help your company have a productive and profitable exhibiting experience.

We've partnered with America's leading tradeshow productivity expert to create five strategic planning exercises to help you address critical factors that determine the difference between exhibiting success or failure.

We strongly encourage you to not only read each of these documents, but more importantly to gather your exhibit team and do the quick exercises presented. If you do, you will dramatically improve your odds of having a successful exhibiting experience.

## **CRITICAL SUCCESS FACTOR #1: DEFINE YOUR OUTCOMES**

Clarity is power! Half of success is simply being crystal clear about what you want to accomplish. The other half is creating workable action plans and executing to achieve your goals. We recommend that you get together with your marketing and sales management team and work through the four-step process outlined below.

What are your top three reasons for exhibiting? (Examples: naintain visibility/presence, introduce new product/service, sixisting customers, market research, branding, recruiting, med and reps/dealers/distributors, other?)	ales leads, nev ia exposure, c	w customers, cross ustomer/prospect
